One for my baby  
New York, New York  
My way  
Lady is a tramp  
Fly me to the moon  
You make me feel so young  
World on a string  
Can't take that away  
It had better be tonight  
Puttin on the ritz  
Come fly with me  
Under my skin

Let's face the music and dance  
Moon river  
All of me  
Ain't that a kick  
Me and Mrs Jones  
Have you met Miss Jones?  
What a wonderful world  
Beyond the sea  
Straighten up and fly right
